Contact: Iron County Health Department (IChD)

Katie Hampston, Health Officer or Zona Wick, Public Information Officer 715-561-2191

Hurley, WI- Iron County Public Health is reporting a total of **74** positive COVID Iron County residents, **7** positive COVID non-residents, **63** recovered residents, **3** ever hospitalized, **1157** negative test results and 1 death.

Where can I get tested for COVID-19 in my community?

Go to this website for updated test sites. <https://www.dhs.wisconsin.gov/covid-19/community-testing.htm>

This week: 8/7/2020 11am-7pm Iron River, WI and 8/7/2020 10am-6pm Lac du Flambeau, WI

The map below displays current COVID-19 community testing sites in Wisconsin. This map will be updated daily. The purple dot designates each testing site. Go to the website for day(s) of operation, hours, and contact information.

Each site may have different requirements. Some sites may ask you to stay in your car. Other sites will screen you before you come indoors. Many sites will require an appointment before you arrive in order to ensure they've collected your contact and insurance information.

Testing site information changes frequently. For the most up-to-date information about each testing site you may wish to contact your local health department.

Note: The testing sites listed below are to check for current COVID-19 infection. If you wish to receive an antibody test, contact your doctor to request one.
