Reopening Guides to Help Wisconsin Businesses

As businesses begin to look ahead to reopening, the Wisconsin Economic Development Corporation (WEDC) has prepared reopening guidelines for all of the following business types:

- [Agriculture](#)
- [Construction](#)
- [Entertainment & Amusement](#) (includes pools)
- [Gyms & Fitness Centers](#)
- [Hair & Nail Salons](#)
- [Hospitality & Lodging](#)
- [Manufacturing](#)
- [Outdoor Gatherings](#) (includes farmers markets)

- [Restaurants & Food Service](#)
- [Retail](#)
- [Transportation](#)
- [Warehouse & Wholesale Trade](#)
- [General Guidelines](#)

These guides are another resource that businesses can rely on as they reopen their doors. They are not requirements that businesses must meet as a condition of obtaining or renewing a license or permit.

Wisconsin's [Safer at Home](#) order is set to expire at 8 a.m. on May 26, 2020. The [State of Wisconsin created a webpage](#) that offers resources from various agencies and answers to critical questions. Here are a few other resources from the Department of Health Services that might be helpful during this challenging time:

- [COVID-19 Information](#)
- [COVID-19 Facts: Why Social Distancing](#)
- [COVID-19 Facts: Protect Your Family](#)

Thank you for your role in keeping Wisconsinites safe by reducing the spread of COVID-19.
